

# Eye Of The Tiger

Survivor

Rising up, back on the street  
Did my time, took my chances  
Went the distance, now I'm back on my feet  
Just a man and his will to survive

So many times it happens too fast  
You change your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive

REFREIN:     It's the eye of the tiger. It's the thrill of the fight  
                  Rising up to the challenge of our rival  
                  And the last known survivor stalks his prey in the night  
                  And he's watching us all with the eye of the tiger

Face to face, out in the heat  
Hanging tough, staying hungry  
They stack the odds 'til we take to the street  
For the kill with the skill to survive

REFREIN

Rising up straight to the top  
Had the guts, got the glory  
Went the distance, now I'm not going to stop  
Just a man and his will to survive

REFREIN

The eye of the tiger  
The eye of the tiger  
The eye of the tiger  
The eye of the tiger
