Pinball Wizard

The Who

Tenor+Bas	Ever since I was a young boy, I've played the silver ball
	From Soho down to Brighton, I must've played 'em all
	But I ain't seen nothing like him in any amusement hall
Allen	That deaf, dumb and blind kid
	Sure plays a mean pinball!
Allen	He stands like a statue, becomes part of the machine
	Feeling all the bumpers, always playing clean
	Plays by intuition. The digit counters fall
	That deaf, dumb and blind kid
	Sure plays a mean pinball!
Allen	He's a pinball wizard. There has to be a twist
	A pinball wizard's got such a supple wrist
Tenor	'How do you think he does it?
Sopraan	I don't know
Tenor	What makes him so good?'
Allen	Ain't got no distractions, can't hear no buzzers and bells
	Don't see no lights a-flashing. Plays by sense of smell
	Always gets the replay, never seen him fall
	That deaf, dumb and blind kid
	Sure plays a mean pinball!
Allen	I thought I was The Bally table king
	But I just handed my pinball crown to him

Sopr + Alt	Even on my favorite table, he can beat my best
	His disciples lead him in and he just does the rest
	He's got crazy flipper fingers, never seen him fall
Allen	That deaf, dumb and blind kid
	Sure plays a mean pinball!
