Twilight Zone

Somewhere in a lonely hotel room
There's a guy starting to realize
That eternal fate has turned his back on him

It's 2 A.M. the fear has gone
I'm sitting here waiting the gun still warm
Maybe my connection is tired of taking chances

Yeah there's a storm on the loose
Sirens in my head
Wrapped up in silence all circuits are dead
Cannot decode my whole life spins into a frenzy

Help, I'm stepping into the twilight zone
Place is a madhouse feels like being cloned
My beacon's been moved under moon and star Where
am I to go now that I've gone too far?

Help, I'm stepping into the twilight zone
Place is a madhouse feels like being cloned
My beacon's been moved under moon and star Where
am I to go now that I've gone too far?

So you'll come to know
When the bullet hits the bone
So you'll come to know
When the bullet hits the bone
When the bullet hits the bone Ahaha
When the bullet hits the bone
When the bullet hits the bone Ahaha
When the bullet hits the bone
